Welcome to June! We are in the midst of wrapping up the 2016/2017 school year as well as planning for the 2017/2018 school year.

First of all, I would like to thank the parents, students and staff for the work we have done in moving the school forward over the past year. Hilltop High School has outstanding teachers and outstanding programs. Our program is second to none! We have the most robust program of all schools in the Whitecourt area. Our students have the opportunity to shine and show their talents through Art, Drama and our extensive CTS programs. Likewise, our sports program is excellent thanks to the volunteers who give up their time so that our students have first rate opportunities to show their talent on the court. From volleyball to basketball Hilltop students rate high in the province. Don't forget track and field, golf, and football.

We look forward to meeting with the Grade 8 parents on June 8 to give them all of the information needed for the transfer to Hilltop. The Grade 8s will also visit Hilltop on June 21 for an orientation. We look forward to showing these students all that Hilltop has to offer.

June is also exam month. Classes end on June 20 with exams. Please check the pages of this newsletter and the school website for the exam schedule. Diploma Exams begin before the end of classes. Good luck to all students on your exams. As a reminder, we will not be mailing a report card in June. Parents can check their children's grades on the Parent Portal. Diploma Exam results are only released through myPass.

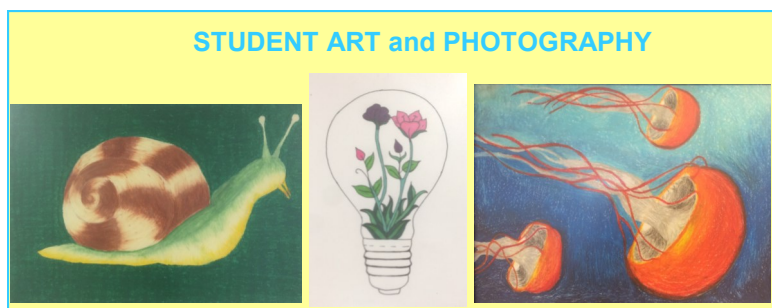

I would like to congratulate the class of 2017 on their upcoming graduation. I have only got to know you for one year, but our future is bright from the quality of adults you have become. Hilltop's 50th Graduation Ceremony takes place at 4 PM on Friday, June 30.

Lastly, I would like to wish all of our students and their families a great summer. We look forward to seeing you return in September.

Your partner in education,
Brent Northcott

Merit's Marvelous Makeover

HILLTOP HIGH SCHOOL TRANSFORMS REPEAT BOUTIQUE

Thanks to a generous grant from Merit Contractors Association to Northern Gateway Public Schools, Hilltop High School students were given the opportunity to provide local business Repeat Boutique with a huge makeover. Repeat Boutique sells previously loved merchandise donated by the community and is volunteer run by the Friends of Whitecourt Society. Over their 50 years in operation they have donated over three million dollars to the local hospital and other health and wellness initiatives within Whitecourt. Merit Contractors provides leading edge management, supervisory, and skills training to the open shop construction industry. We were thrilled to be a part of this project, which offered Hilltop students the opportunity for project based learning while giving back to the community. Hilltop students were directly involved in the makeover of Repeat Boutique by contributing to much needed upgrades to the interior of the building with paint, shelving, signage and various other enhancements. Students also designed a website, along with other graphic and printing materials to increase advertising. We are so fortunate to have received the grant from Merit and grateful for the hard work and dedication of all the staff and students involved in ensuring the completion of this project. Hilltop High School is very thankful for the partnership established with Repeat Boutique and proud to have helped such a deserving local business receive this much needed transformation so they can continue to serve our community.

Project Timeline

December 2016: Announcement

Students alert the Press and announce to the community, Merit's Marvelous Makeover begins!

January 2017: Planning

Planning starts with a visit to the Repeat Boutique to see what can be done to enhance their store.

February 2017: Projects Begin

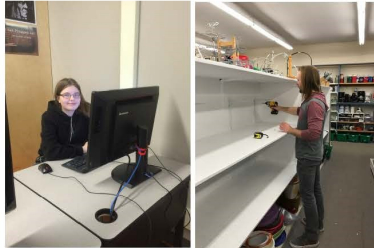

Students get to work! Construction class builds new storage boxes to replace the old ones.

March 2017: Projects Continue

Repeat Boutique picks up the first finished project, a new sandwich board for advertising. Business cards are also designed and printed.

April 2017: Installation

Computer students create a website, Photo designs a new logo and Construction installs new shelving.

May 2017: Project Completion

Students finalize their projects and Merit's Marvelous Makeover continues inside, transforming Repeat Boutique.

1. What did you learn from this experience and what new skills did you use?
2. What did it mean to you to be able to give back to your community and the Friends of Whitecourt Society?

"It was awesome to be a part of Merit's Marvelous Makeover and the opportunity to be taught construction by Mr. Jack Reid. I learned many new skills from Mr. Reid, such as angle cuts and dado cuts. He taught me to think outside the box and to plan my designs ahead before I start building."

"It meant a lot to me to be able to give back to the community. The first time we walked into the Repeat Boutique the employees were so excited to see us and the new shelves we had made. Each and every time we came back to install they were even more excited than the last time and so incredibly grateful. I had never experienced anything like that before and it made all my hard work worth it to see such happy customers." - Nick Broz, Construction

"I really enjoyed being involved in Merit's Marvelous Makeover. Having a real life customer encouraged me to work hard and make the effort to provide them with professional quality products. I learned many new computer skills, such as sizing and proportions, graphic design and how to create a business card template."

"It was very cool to be able to use my skills to give back to the community. It is exciting to know that business cards I designed will be passed around the community and that the signs I created will be hung in the Repeat Boutique for years to come. I feel like my contributions have really helped to enhance their business." - Katlyn Szybunka, Computers

2017-2018 Registration

Registration for the 2017-2018 school year is in progress at Hilltop. Students have selected courses and have taken home a copy of their selections. If you have any questions or concerns please contact Ms. Hleck at 780-778-2446

Returning Student Registration

Registration/Validation forms will be going home with current Hilltop students between June 1-8. Once students have returned their completed and signed forms they will have first choice at picking a locker.

Grade 8 Orientation/Registration

Grade 8 students are invited to an information meeting on June 8th at 7:00 pm in the Hilltop Auditorium. There will be a 30 minute information meeting followed with handing in your signed and completed registration forms and a mandatory \$2.00 locker fee. Student will then be able to pick out the locker of their choice.

Staff News

Mrs. Jessica Bezushko will be joining us for the remainder of the school year while Mrs. Walsh is on maternity leave. Welcome to Hilltop Mrs. Bezushko and congratulations to Mrs. Walsh on her new bundle of joy.

Thank you Mr. Jack Reid for assisting Construction class during the Merit’s Marvelous Makeover project. Your expertise and guidance was appreciated by the students, staff and everyone at the Repeat Boutique.

Are you interested in meeting students from across Canada and learning about our nation? Encounters Canada is for you!

Encounters with Canada is our country's largest and foremost youth forum!

Every week of the school year, 120 to 148 teens from across Canada (ages 14 to 17) come to Ottawa. Here they discover their country through each other, learn about Canadian institutions, meet famous and accomplished Canadians, explore exciting career options, develop their civic leadership skills and live an extraordinary bilingual experience. Over 100,000 youth have lived the EWC experience, to date!

If you are interested in any of the programs, please see Mrs. Keay ASAP - The early fall programs fill quickly!

You will need a Teacher Recommendation (See Mrs. Keay for the Link to the Google Form)

For more information, check out: <https://www.ewc-rdc.ca/pub/>

Forum for Young Canadians

Forum is now accepting applications for the 2018 sessions!

Would you like to contribute to the future of your community and country? Are you interested in decision-making and politics? **Forum for Young Canadians** is for **YOU!** Take part in a week long youth conference, giving you a behind the scenes look into the world of Canadian Parliamentary Democracy! You will learn to communicate, collaborate and transform your ideas into meaningful community action!

Meeting decision-makers where the decisions get made.

This includes:

- Visits to the House of Commons and Senate with the Speakers of each House as well as Clerks and pages. They show you how the institution works before getting to see Question Period live in action.
- A reception where MPs are invited to come meet and chat with participants. All MPs are invited and last year over 100 MPs came to at least one reception. The Prime Minister came to two events in 2016.
- A breakfast at the Senate with Senators hosted by the Speaker of the Senate. It's a chance to ask them what they do.
- A visit to Rideau Hall, residence of the Governor General, which is a great opportunity learn about his role and responsibilities. In 2017, some participants met the Governor General His Excellency The Right Honourable David Johnston during their tour of Rideau Hall.

The total cost for the **entire** week is \$895.00 per student including G.S.T. (Accommodation, Airfare, Meals, and Program fees included). Students are responsible for travel to and from Edmonton to the airport. [Forum for Young Canadians Website](#)

If you are in grades 10-12 and are interested in this once in a lifetime opportunity, please see Mrs. Keay prior to JUNE 25, 2017

Congratulations

Recently Kyle Molnar entered a photo contest for The Royal Horticultural Society, a gardening society based out of the UK and received top honours for his photograph. The competition is free to enter and open to anyone around the world. There were nine categories and there winners for each. If chosen, finalists could receive either commended or highly commended. Kyle Molnar was chosen as a finalist for his photo taken during a family walk in Blue Ridge; he then received highly commended in the youth category.

Well done Kyle!

 Family Walk

I took this image on a walk with my family. It was taken at f/6.3, focal length of 29 on a Canon 18-55mm lens on a Canon Rebel T3 at 1/1000 shutter speed. I took this image in Blue Ridge, Alberta, Canada at the Blue Ridge Recreation Area ponds.

Registered Apprenticeship Program in Action

RAP student Lexi Vandewolf who practices her cosmetology skills both at Hilltop and Curl up and Dye, recently learned how to do a men's hot shave with the assistance of Mrs. Runge.

Thank you to Mr. Schlosser for being such a great, and brave volunteer!

Outdoor Ed Adventures with Mr. Scott's Class

Congratulations to Dual Credit students **Shaun Lapointe** and **Riley Henke** who both successfully completed the Rig Service Technician program in Bonnyville.

Thank you to the officers from the Whitecourt Fire Department and Forest and Agriculture for taking the time to speak to our grade 12 students about the importance of fire safety over the May long weekend and into the summer.

Student Council News

Student Council and Humanitarian Society held a candy draw in May. Students were able to buy tickets for \$0.25 each for the chance to win jars full of candy. Congratulations to the following winners:

- 1st: Caleb Tobin
- 2nd: Caleb Tobin
- 3rd: Mr. Thomas
- 4th: Maria Vasseur
- 5th: Sam Craig
- 6th: Catelynn Lewis
- 7th: Macen Chernuka

Support the Humanitarian Society

The Hilltop Humanitarian Society is a group of students along with supervisor Martyn Chapman who work together to support underprivileged children in Uganda. The Hilltop Humanitarian Society has been helping over 50 children at the Masulita Village in Uganda since 2007, sending approximately \$1000.00 a month to assist them with educational materials, health care, eye care and transportation needs. Please consider donating to this worthy cause. Donations gratefully accepted via schoolcashonline.com or at the front office. Thank you for your support.

Thank you to the Friends of Hilltop Society for providing the Humanitarian Society with \$210.00. Your support is gratefully appreciated.

MLA for a Day

Two lucky students, Liam Prichard (grade 10) and Caelyn Basaraba (grade 11) had the opportunity to be MLA for a Day along side of the Honourable O'neil Carlier, MLA Whitecourt-Ste. Anne. Liam and Caelyn had the chance to learn about the role of an MLA and how provincial decisions are made. What an exciting experience for both these amazing Hilltop ambassadors!

"From May 7-9 I attended a program called MLA for a day. This three day program gave me and 83 other students from grades 10-12, from all over Alberta, the opportunity to learn about the lives of our own local MLA's and a basic look into provincial politics. During this time I got to go on a detailed tour of the legislative building, learning more history on the building and Alberta itself. Throughout the three days I had the opportunity to meet with various staff members who work in the legislature such as: the MLA's, visitor services, legal consultants, pages and research managers. At MLA for a day, all of the participants got to observe question period before having our own debate on a mock bill. Everything we did over the 3 days led up to our mock debate, where we were able to put our knowledge and skills to use, with the Speaker of the House running the debate. Also, during MLA for a day, I had the opportunity to meet with my MLA during a formal dinner, and tour his ministerial office. This program is free for students, as it is covered by your MLA. I would encourage all who are interested in provincial politics, or would like to learn more about politics to apply next year." - **Caelyn Basaraba**

Math News

Grade 9 student **Tristin Schlauch** ranked in the top 25% of the National Fryer Mathematics Contest testing logical thinking and mathematical problem solving! Congratulations Tristin!!

Skills Canada

Congratulations to all the students who recently participated in Skills Canada. **Ashley Underwood** and **Macen Chernuka** successfully completed their hairstyles in braiding and bridal. **Montana McKellar** placed first for photo, she then went to provincials along with **Annick Greenwood**. **Beth Keenan** also competed for photo and placed 3rd. **Freddie Moore** and **Kjell Granley** placed 3rd in the video competition. Well done students!

Qualifying photography students, **Annick Greenwood** and **Montana McKellar** went on to compete at Skills Canada Provincials. Annick and Montana had four projects to complete in two days, along with a mystery object to photograph. There were over 700 competitors onsite, with 20 participants for Photography. Hilltop was the only school to have 2 people qualify for Provincials! The girls did a fantastic job and are eager to return next year in hopes of qualifying for Nationals!

Congratulations to Hilltop graduate and former RAP student **Alex Slobodian**, millwright with Millar Western, who earned gold at Skills Canada Provincials and is headed to Nationals!

As this school year ends, we would like to extend a thank you to everyone that has supported the IGA Card program. Cards can still be purchased at the school or at Remax.

Our local IGA gives the Friends of Hilltop (FOH) a discount when we purchase them, the amount we save between purchase and sale is the fundraiser. We track the amount families purchase, 5% of the amount purchased is placed in an account – which YOUR family can spend on school fees; sport fees; pictures; school supplies; grad fees; grad dresses just to name a few. This money can easily total up to a huge savings for your family.

If you have questions please feel free to ask any Friend of Hilltop Parent Council member.

JUNE already! Where did the school year go? Here's to the last month for this school year so let's make it a productive one and get all those unfinished courses successfully completed.

The staff at Gateway Academy would like to remind students to make sure they keep within course timelines so they can earn credits in their respective courses. Remember to pass in your course work in a timely manner. Due date for all diploma course work, work Ex and PE hours is **Thursday, June 8, 2017**. If you need help please call or come in and visit us.

Gateway Academy will host its year end celebration and awards on **Thursday, June 22, 2017 at 1 p.m.**, to recognize the students' hard work and accomplishments for the year.

Thanks to Kyra from FCLP for spearheading a wellness group for the students. The students were really engaged, learned a lot and had fun. We would like to thank the Community Lunch Box Program for allowing the students the opportunity to prepare their own hot meals at least once a week, as well as providing other healthy alternatives for snacks and lunches. In addition, we want to thank Freddy's 2 for 1 pizza for supplying lasagna for the students.

Reminder to all students who have outstanding resources to please return all course resources back to Hilltop's front office or to Gateway Academy ASAP. Also students who are currently enrolled are reminded that all their course resources will need to be handed in at the end of the school year, even if the course isn't complete.

Students who wish to register for summer school can do so by contacting Hilltop High School at (780) 778 2446.

Finally, we would like to wish our students and staff a safe and fun summer, and we hope to see you in the fall.

GRADE 12 STUDENTS MUST SIGN UP FOR MyPass

**Alberta Education has decided that Diploma results will only be available via your MyPass account.*

**The school cannot create your account on your behalf.*

How to sign-up:

1. Go to myPass.alberta.ca
2. Create a login using "Sign me up, I'm new!" Do not use your @ngps.ca email. A confirmation link will be sent to your personal inbox.
3. Click on the confirmation link in your inbox. Confirm your birthdate and Alberta Student Number. You can find your ASN at <https://extranetapp.learning.gov.ab.ca/learnerRegistry/forms/>
4. Using a button on the subsequent screen, request that a secure verification code be mailed to your home via post. It should arrive within two weeks.
5. Upon receipt in the mail, login and enter the code. It will expire. Act promptly.

First Nations, Métis and Inuit (FNMI)

Mrs. Smith-Tomke, FNMI Liaison Worker

Congratulations to the Graduates of 2017. June has arrived, and the grad ceremony is going to be absolutely amazing! This year Hilltop High School will be honoring our Indigenous grad students in a very special way. First Nation and Inuit graduates will be presented with the sacred Eagle feather to celebrate their right of passage as they complete high school and continue with the next phase of their journey. Our Metis grads will be bestowed with a Metis Sash, symbolizing their pride of the rich Metis culture.

The sash is woven with 5 main colors:

- Red - for the blood of the Metis who fought for our rights and freedoms
- Blue - for the depth of our spirits
- Green - for the fertility of a great nation
- White - for our connection to the earth and our creator
- Yellow - for the prospect of prosperity

I wish you all the best in future endeavors, and I hope you enjoy the summer!

Thank you XM 105

A huge thank you to XM 105 for allowing Hilltop students **Bradley Jarvis** and **Freddie Moore** to be live on air every Wednesday for the last year as the voices of Hilltop. Thank you Freddie and Bradley for being great ambassadors of Hilltop and representing our school so well. Bradley and Freddie really enjoyed the experience and said they would consider careers in radio now that they know more about it.

"The people at XM 105 were super nice"- Bradley Jarvis. "It was a privilege to represent Hilltop, I learned a lot about my school"- Freddie Moore.

THE HILLTOP SCHOLARSHIP GROUP

1. **GARY NELSON MEMORIAL SCHOLARSHIP (\$1000)** (healthcare)
2. **JONATHAN WHITE MEMORIAL SCHOLARSHIP (\$500)** (music)
3. **WENDY CALLIOU "HEART OF GOLD AWARD" (\$750)** (humanitarian)

In order to be considered for these scholarships, candidates must submit a statement indicating any notable academic achievement, school and community extra-curricular activities as well a financial need if desired. Any accomplishments, which underline personal traits, such as perseverance and initiative, will also be welcome elements to your statement. Length of statement is left to the student, but past submissions have tended to be approximately 350 words. Students do not apply for each scholarship listed above separately; one statement serves as an application for all. No student, however, will receive more than one scholarship if the number of applications submitted exceeds the total number available in the group.

Please staple this form to your statement and submit both in a sealed envelope marked **HILLTOP SCHOLARSHIPS** to **Mr. Vincent Mireau, at the office, by May 26, 2017.**

**NATURE IN ART AND THE SELF PORTRAIT
EXPLORE YOUR SURROUNDING ENVIRONMENT
HILLTOP HIGH SCHOOL**

TUESDAY JULY 4TH TO FRIDAY JULY 14TH

The genres of Nature in Art and the Self Portrait have been explored by artists throughout history; students will be familiar with many examples. These genres will allow for a wide range of media to be explored from drawing and painting to printmaking and sculpture. Each of the projects will allow for degrees of difficulty both in the idea conception and planning to skill level with the chosen media. They also lend themselves well to the introduction of many important periods of art history which will be discussed during the program.

The Nature in Art program has been designed to encourage student interaction, engagement and exploration of their surrounding environment. Students will be taking guided nature walks, hikes and fieldtrips for specific reasons. Some may involve an observational drawing assignment to experiment with a technique we've discussed, creating frottage with actual textures or collecting an assortment of natural objects to be used in a project. Students will be collecting images, sometimes sketched other times photographed, to help them plan a composition to be later completed in the studio. Students will also be observing man-made structures in their community and looking at natural design systems, such as the spiral, found in nature and how it is used by architects and builders. Exposing students to nature fosters sensitivity, appreciation and a respect for nature and their environment.

The projects will encourage students to embrace the natural characteristics of the world around them and emphasize the connection that we all share as humans. The Self Portrait study complements this goal and students find it a very interesting and challenging genre. Students will begin to answer the important question of "Who Am I?" Looking at a self -portrait you've created poses many questions about why you choose a certain color, background, stance, viewpoint, clothing or costume and often offers insights into your personality that you were not aware you were divulging. Self-portraits always inspire reflection.

Both genres will assist students in seeing how art can have the ability to transform, inspire, communicate and promote harmony.

Students will receive high school credit for either Art 10 or Art 20 during this two week course.

Dates: July 4 - 14 2017

Time: 8:30 am – 2:00 pm

Time suggested for homework + studying if you are pursuing academic excellence at Hilltop High School

GRADE TEN

Only four core classes are available. Instead of fast-tracking, explore your interests, try different electives, and complete PE 10. Perhaps you could explore sports and extra-curriculars. No homework, you say? Read the newspaper or explore something new.

 <p>20 min x 3 days of the week</p>	 <p>20 min x 3 days of the week</p>
 <p>20 min x 5 days of the week</p>	 <p>30 min x 5 days of the week</p>
 <p>exercise and sleep help you achieve</p>	

GRADE ELEVEN

Four science courses may become available to you: Biology, Chemistry, Physics, and Science 20. Many students manage two at a time quite well by keeping on top of things. Math 10C branches into two streams 20-2 and 20-1 (both for students interested in University, it mostly depends what you want to explore career-wise). To excel in Social, pay attention to current events. To excel in English, read lots of varied texts. It is also time to complete CALM.

 <p>Bio 20 - 5 x 30 min Chem 20 - 5 x 30 min Physics 20 - 5 x 30 min Science 20 - 5 x 20 min Science 24 - 3 x 15 min</p>	 <p>20 min x 3 days of the week</p>
 <p>Social 20-1 - 3 x 30 min Social 20-2 - 3 x 30 min</p>	 <p>Math 20-3 - 2 x 15 min Math 20-2 - 5 x 40 min Math 20-1 - 5 x 40 min</p>

GRADE TWELVE

Put away your phone and buckle up. Apply for post-secondaries as early as October 1st. Think about working less and earning higher marks; you have your whole life to work. If you miss school, you have work to do!

 <p>30 minutes per week to work on scholarships and post-secondary preparations</p>	 <p>Lots of sleep contributes to your ability to learn.</p>
 <p>3.5 hours per science and math course /wk (spread out)</p>	 <p>Healthy fun will help you maintain balance.</p>

Healthy Schools Calendar

June 2017

Wheel Week: From Wellness Event to Comprehensive School Health

It's the perfect time of year to get moving and celebrate BIKING! **Wheel Week**, June 5-9, is an opportunity to celebrate and encourage students to bike to school on a regular basis. Encourage staff to ride to work, even if it's part way. Not able to bike to school? Go for a ride after school or on the weekend and share the fun with family and friends. Leading up to Wheel Week, offer safety activities in the classroom and engage your Community Resource Officer or School Police Liaison. Organize a **bike train**. Give the "Golden Wheel" award to the classroom or grade that has the most participants in the day's events. Design and laminate a Frequent Walker/Biker Punch Card that students can hang from their backpacks. Celebrate participation and recognize your active *Roll Models*.

Need support? Every school jurisdiction in Alberta has an assigned Alberta Health Services staff member to support **Comprehensive School Health**. To find out who the contact is for your jurisdiction email: healthychildrenandyouth@ahs.ca

Grades 6 and 9 Provincial Achievement Tests (PATs) Quick Facts for Parents/Guardians

What are PATs?

Provincial Achievement Tests (PATs) are administered to students in grades 6 and 9 and have three main purposes:

- to determine if students are learning what they are expected to learn;
- to report to Albertans how well students have achieved provincial standards at given points in their schooling;
- to assist schools, authorities, and the province in monitoring and improving student learning.

When are PATs administered?

PATs are administered in May and June annually in English and French language arts, mathematics, science and social studies in grade 6 and grade 9. Some grade 9 students write PATs in January of each year.

Are there any practice questions my child can do before writing PATs?

Yes. Students can try out the released questions from previous PATs that are located at <https://questaplus.alberta.ca/PracticeMain.html>.

When will I find out my child's PAT results?

After PATs are administered, schools share the preliminary results with parents. Each fall, Individual Student Results (ISPs) are made available to schools that contain official student results. Schools then share the ISPs with parents and keep a record of the ISP on the student's record in accordance with the *Student Record Regulation*.

Want to know more?

More information and resources for the PATs are available on the Alberta Education website at <https://education.alberta.ca/provincial-achievement-tests>.

The personal information collected in the Provincial Achievement Testing program is collected pursuant to section 33(c) of the **Freedom of Information and Protection of Privacy Act** (RSA 2000, C. F-25). This information will be used for the purpose of administering the Provincial Achievement Testing program as well as support programs and policy evaluation and measurement.

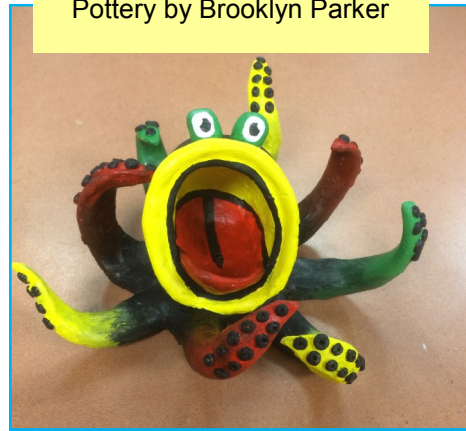

Questions regarding the program and the collection, use and disclosure of information may be directed to Nicole Lamarre, Director, Student Learning Assessments, Student Learning Standards, Alberta Education, 6th Floor, 10044 -108 Street, 44 Capital Boulevard, Edmonton, AB T5J 5E6, by email at Nicole.Lamarre@gov.ab.ca or by telephone at 780-427-6204.
