December 2017 & January 2018

Message from the Administration

Recently we had a situation where we activated our Critical Incident Response Plan and put the school into Hold and Secure mode. In a Hold and Secure, the exterior doors of the school are locked but classes operate as normal inside the building. People are not permitted to enter or leave the school with the exception of law enforcement. In this particular situation, we knew the exact reason for the activation of the plan, so I did allow some students to enter through the front door.

When the Critical Incident Response Plan is activated, it is important that parents and guardians not come to the school nor call the school. Please stay connected to our website, Facebook page, Twitter account and Remind for updates. The phone lines are needed to communicate with emergency personnel to monitor and control the situation. School staff are actively involved in dealing with the situation and do not have time to answer parent questions. We have the students' safety at heart - hence the activation of the plan. Trust that school staff are caring for your children.

On another note, as the holiday season quickly approaches, I would like to take the opportunity to thank our students, parent/guardians and staff of Hilltop High School for your commitment to education. We have a great school because of our students, staff, parent community and the community at large. We thank you for the support of our school.

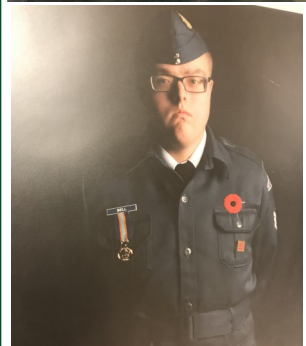

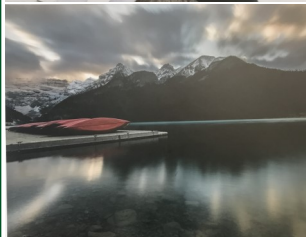

I would like to remind students that preparing for exams should be near the top of your priorities as we head into the Christmas Break. You will be thrust into the hustle of final exams shortly after your return to school. Diploma Exams begin on January 11 and school final exams begin shortly thereafter. It is hard to believe that we are nearing the end of the first semester.

On behalf of the school staff and administration, I would like to wish you and your family all of the best as you head into the holiday season and a Happy New Year. Enjoy the Christmas break and all of the season has to offer for time with family and friends.

Your partner in education,

Brent Northcott

Whitecourt Christmas Hamper

The 45th Annual Whitecourt Christmas Hamper Project is currently being organized for the 2017 season. We have served our community since 1972. Last year, 137 families that included 284 children received hampers due to the generous ongoing support of our donors.

Donations can be delivered to Hilltop High School. We are asking for the following donations:

Donations of food - canned goods, packaged goods, non-perishable

Gifts - new, unwrapped for all ages.

Requests for hampers must be made in person at the Repeat Boutique on the following dates:

A Message from the CTS Department

Could your business or organization use a new shed?

The 20 level Construction students have built four small storage sheds (6'x8') and would like to donate them back into our community.

If any Whitecourt businesses or community organizations are in need of a small storage shed please contact Mark Scott at Hilltop High School (780 778 2446) or email

mark.scott@ngps.ca

Thank you **Rock the Diploma** for gifting us with free gift cards valued at \$135.00. Names were drawn from those Gr. 12 students that were interested.

Congratulations to **Cale Ostrander** and **Ashley Cairns** for winning free sessions and congrats to **Logan Seu, Ethan Baranitsky** and **Miriam Ostrander** for winning \$40.00 off their sessions.

Thank you **North Country Market** for gifting our staff with free peperoni.

Student Council News

Happy holidays to everyone from student council! We have a few activities planned for the month of December such as:

- Decorating the school
- An ugly Christmas sweater contest
- Staff gifts for the holidays
- Collecting donations for the Christmas Hamper
- Pancake breakfast

Hilltop has a long tradition of putting on a pancake feast for the entire school on the last day before the winter holiday. On December 22, in the morning, expect a delicious pancake and sausage breakfast!

January is a slow month for Student Council. Since exams are upon us at that time, we do not have any activities planned.

February is a great month for Matchmaking! Expect this activity to start on the first day of the second semester! More details will be provided when we get closer to February 1!

Medieval Club

Have you ever wondered how knights fought back in medieval times? Or what arts and crafts people used to make? Perhaps you are into sports and martial arts or maybe you are just curious about what kind of skills were needed to be a medieval artisan. Hilltop's Medieval Club meets at lunch on Thursdays to learn all there is about the medieval times as well as how to do medieval style combat. Students can learn all about the medieval ways of fighting as well as about honour and chivalry. Students can learn about making medieval crafts like chainmaille and wire weaving, but also about making armour as well as how to engage a foe with cunning skill and accuracy. If you would like to find out what we do in Medieval Club, please come and speak to Miss Mehl in Room 304!

School Reach Club

School Reach is a club devoted to quiz game shows. Students gather in room 304 at lunch on Fridays to test their knowledge about pop culture, music, sports, entertainment, history, literature, movies and much more. Come bring your lunch and some friends to try out our amazing game show buzzer system while answering some questions! Everyone is welcome and we have a great time during lunch hour.

Support the Humanitarian Society

The Hilltop Humanitarian Society is a group of students along with supervisor Rendean Koudelka who work together to support underprivileged children in Uganda. The Hilltop Humanitarian Society has been helping over 50 children at the Masulita Village in Uganda since 2007, sending approximately \$1000.00 a month to assist them with educational materials, health care, eye care and transportation needs. Please consider donating to this worthy cause. Donations gratefully accepted via schoolcashonline.com or at the front office.

Thank you for your support.

Thank you to MacEwan University for visiting Hilltop in late November to present to our students the many options they can explore in their post-secondary journey. MacEwan University is a mid-size campus with approximately 12 000 students. The average class size is 42 students. They offer 38 different diploma and certificate options along with interactive and hands on practical experience, study tours and internship. Another reason MacEwan is unique to other post-secondary schools is that they have no teacher assistants, all programming is taught and marked by experts in their field, offering a more one on one approach. They offer a variety of programming within the following departments; Arts & Science, School of Business, Faculty of Fine Arts & Communications, Faculty of Health and Community Studies, Faculty of Nursing and the School of Continuing Education. For information about MacEwan University please visit <http://go.macewan.ca/inquiry>.

Thank You

A big thank you goes to Millar Western and Blue Ridge Lumber for their generous donations of 2 x 4's and 2 x 6's to Hilltop High School's Construction classes over the past year. It would be impossible for our students to obtain the credits they do without the lumber that has been provided by these businesses.

Thank you **Keune Hair Cosmetics** for visiting our Cosmetology class to showcase

their Blend product line. Keune has been in business for 95 years, they are a family owned business originating from Holland and available in 83 countries. Their ingredients are carefully chosen and their products are only sold in salons. Blend products are however available to purchase at the Hilltop Cosmetology Studio, along with a variety of services.

On **Remembrance Day** we held our annual assembly. Thank you to those who attended from the Legion, RCMP and community. We appreciate your support in showing our students the importance of taking the time to remember those who sacrificed their lives to achieve freedom for us all.

Gateway Academy – Whitecourt Campus News

(formerly called Storefront)

Hours of Operation
Monday-Thursday 8:30 am – 3:30 pm
Phone: 780 - 778 - 5865

The countdown to Christmas break is ON! To prepare for the festive season, Gateway Academy will be holding its Annual Twelve Days of Christmas beginning Monday, December 4, 2017. Students will need to find the clue, and be able to correctly answer it, to win a prize.

Students have the opportunity to do some Christmas baking the week of December 18. Remember to bring your sweet treat recipes and earn foods credits.

Gateway Academy will be hosting their Christmas Luncheon on Tuesday, December 12, 2017 at 12:30.

Students will be cooking brunch the morning of Tuesday, January 16, 2018. In addition, students who plan to continue to take Foods courses will need to sign up for a date and provide a recipe and ingredient list ahead of time.

Students who are writing Diploma Exams will need to have all course work and final exams completed by Wednesday, January 10, 2018. Remember to organize and study ahead of time to prepare for diplomas and PAT exams that will happen right away after the Christmas break.

Students, please have all work that is due prior to Christmas break handed in on or before Thursday, December 21, and make sure to pick-up extra work for the break at this time as well. Again it is important to attend often. Students who attend often are generally more successful in getting their work completed in a timely manner.

Attendance at Gateway is not mandatory, but handing in work every week is. Students, please pay particular attention to course due dates to ensure all work is getting handed-in, in a timely manner.

Thanks for the continued support of the Community Lunch Box and to Pam for bringing muffins, bread and bagels every day. Thanks to Freddy's 2 For 1 Pizza for the delicious lasagna every month and to Kyra from FCLP and Rebekah, the Community Youth Worker for your extra support in the school.

Wishing you and you're family a very safe and restful Christmas break.

Mrs. Smith-Tomke, FNMI Liaison Worker

Tansi! With the Christmas season upon us, I want to remind Hilltop High School students and their families that the Whitecourt Christmas Hamper Project is currently underway. Whether you are receiving support or donating, this is a wonderful way to celebrate the season. Please visit the Repeat Boutique to make your request, or come to Student Services and we are very happy to help with arrangements. Here are the times available :

Hilltop High School is involved with an Indigenous Work Readiness Program, which will be launched in the new year. This program is in partnership with Careers: The Next Generation, Alberta Works, Community Futures, and Wellspring Family Resource and Crisis Center to name a few of the stakeholders . This is an exciting opportunity for our Indigenous youth, as you will learn many invaluable skills to prepare you for future careers and employment.

Merry Christmas everyone, I wish you all health and happiness.

Chairpersons: Tammy Dickson and Avy Fast
Secretary's: Amber Borg and Joanne Merrifield
Treasurers: Niki Underwood and Judy Watson

Earn 5% profit on your regular grocery shopping at IGA!!

Start saving for your student's school fees, grad garb, school sports and even school trips. Take advantage of the IGA gift cards sold by Friends of Hilltop Parent Council. When you purchase grocery vouchers from FOH (available at Remax Office or at the front office) 5% of your purchase is placed in an account just for you. It just stays there until you need to access these funds to pay for a variety of school related expenses.

IGA voucher cards are the ONLY fundraiser for Friends of Hilltop, other than bottle recycling; we receive 3% of the total funds purchased through the months of Oct, Nov, and Dec. The money we fundraise together goes to teacher appreciation lunch, assists our school with recycling costs, and more. Stop by or call the office for more details.

STARTING Dec 23, 2017, Friends of Hilltop will be taking over bottle recycling within the school. With this additional fundraising we are hoping to provide more to the entire school and give back to the students directly where they need it!! Please save your holiday empties for your student and simply drop off at the bottle depot stating that you are donating to Hilltop High School or drop off at the school.

Next Parent Council (Friends of Hilltop) meeting, Jan 17th at 7pm. Please join us – no commitment necessary, for information only!

Have a safe and happy holiday season!!

New Recycling Program

Support Hilltop High School by donating your empty cans/bottles to the Friends of Hilltop Parent Council.

Recyclables can be donated at Hilltop High School or the Whitecourt Bottle Depot.

Student Services Newsletter

Our Student Services Team works diligently to support our student's social, emotional, career and academic needs. Opportunities for students are communicated through weekly announcements, newsletters and through Hilltop's Social Media. Students are invited to drop into our Student Services area for support or to see Mrs. Tomke or Mrs. Kendall for an appointment.

Important Notice from the Learning Commons

Please be advised that the Learning Commons (Library) will be closed on Thursdays during the lunch hour.

Are you undecided about a career? One of the best web sites for **Career Planning, Education and Employment** is

www.alis.gov.ab.ca. It also includes information on **financial assistance**.

Work Experience

It is time to make sure all of your time sheets are submitted up to present. If you will be working through the summer, you need a new work agreement and learning plan. See Ms. Heck to pick one up.

Applying for Post-Secondary

Most schools accept applications from October 1st onward. Do not delay. Receiving an offer of acceptance can take a long time. Remember, once you have applied, you must periodically update the post-secondary institution via your online account.

RAP - Registered Apprenticeship Program

Interested in RAP? Please talk to Ms. Heck in the front office.

Former Hilltop students looking for transcripts will need to sign up for MyPass. (See instructions below)
Students needing their Alberta Student Numbers should contact Alberta Education directly at 310-0000 or online at learnerregistry.ae.alberta.ca.

School Emergency Response

At a Glance

Emergency Response Plan

Northern Gateway has developed emergency procedures that are to be initiated should a high risk incident take place in or around our schools. Lockdown, Hold and Secure, Shelter in Place and Evacuation represent the different responses that may be initiated by a school. When a school is confronted with an emergency, staff will assess the situation and then decide on a course of action.

Schools conduct drills throughout the year to rehearse emergency procedures. These drills prepare students and staff to act quickly and help to minimize a child's fear during a real emergency.

The following is a list of our Emergency Response definitions:

Lockdown

A Lockdown response is initiated when imminent danger is present on the school site and the safety of students and staff is threatened. Staff and students will be directed to enter the nearest room, lock all doors, close windows, cover inner glass panes, turn off lights, move away from doors and windows and maintain silence. During a Lockdown all doors to and within the school are locked. No one is permitted in or out of any area once it has been locked. **No one, other than law enforcement, is permitted access to the building until the Lockdown is over.**

Hold & Secure

A hold and secure is initiated when there is a situation taking place in the community that is not related to the school, like a bank robbery nearby. A hold and secure is usually initiated by police. During a hold and secure, activities continue inside the building, but all doors are locked and no one is allowed to enter or exit the school. **No one, other than law enforcement, is permitted access to the building until the Hold and Secure has been cleared.**

Shelter in Place

Shelter in place is used when there is an environmental or weather-related situation, like a chemical spill outside the building, or a major storm. During a shelter in place, activities will continue inside the school, but students and staff will not be allowed to leave the building. In some cases, the ventilation system may be shut off.

Evacuation

An Evacuation requires all students and staff to leave the school and go to an alternate location. This may mean only going outside and away from the building until it is safe to re-enter the school. In other cases, students and staff may need to go to a predetermined alternate location.

AESTALLIANCE

“Healthy forests, healthy communities”

AFA YOUTH VIDEO CONTEST

Help us tell the forest industry’s story!

Are you the next Steven Spielberg? If you aspire to a career in film, or just like making movies, we need your help!!! The Alberta Forest Alliance is looking for kids in grades 6 through 10 to produce a video that we can use, in presentations and on our website, to show the importance of the forest industry to Alberta. We want **you** to tell the entire world the many positive ways in which the forest industry affects you, your community and our province.

What needs to be in your video?

1. The video must be between 9.5 minutes and 10 minutes long (not even 1 second outside these parameters will be allowed – no exceptions).
2. The video should be as creative and professional as possible.
3. Your entry should focus on the importance of forestry to you, your community and the province. Make it as personal as you can - we want to hear your story come through. Don't be afraid to interview people in business, government and your community, to get different perspectives on the topic.
4. Not only highlight the forest industry but mention us too - the Alberta Forest Alliance. Find out more about us on our website: www.albertaforestalliance.ca.
5. Include lots of facts about forestry, using credible sources, such as the following:
 - a) Forest company websites
 - b) Forest association websites (Alberta Forest Products Association, Forest Products Association of Canada)
 - c) Government websites (Alberta Agriculture and Forestry, Natural Resources Canada)
6. Please shoot your video at a resolution of at least 1080p.

What can you win?

1. First place wins an iPad Pro.
2. Second place wins an iPad Mini.
3. Third place wins an iPod.

All three winning entries will run our website.

Some simple contest rules:

- Only kids in grades 6 to 10 can participate.
- You must have your parent’s permission – ensure the attached consent form is signed by a parent or guardian.
- Please have people in the video sign the attached waiver, granting their consent to appear.
- Only one submission per entrant.
- Any music or images that you include must follow copyright laws – no favourite Taylor Swift songs, thanks. Use material that is not copyrighted, or take your own photos and write and perform your own music!

Deadline is December 31st 2017. Entries should be copied onto a DVD or USB drive. Submissions should be sent to the following address and must be postmarked no later midnight, December 31st:

Alberta Forest Alliance
Box 10046 River Valley PO Whitecourt, Alberta
T7S 1W8

Videos will be judged according to the following guidelines:

Professionalism.

Creativity.

Factual information and content – DO YOUR RESEARCH.
How well your story comes through.

Applications available at Hilltop High
Schools Main Office.

Please complete the attached application form, and include it with your video submission.

Good luck! Any questions? Email us at abforestalliance@gmail.com

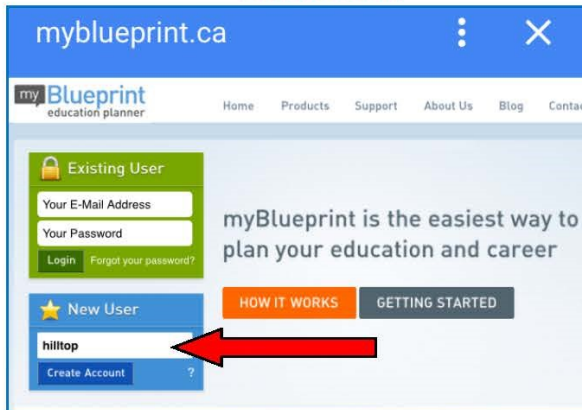

myBlueprint

PLAN YOUR EDUCATION AND CAREER

myBlueprint is a web based service for high school students to monitor their credits and graduation, and to research career pathways and post-secondary opportunities. myBlueprint is synced to the students' PowerSchool, and it updates in real time. Each student already has an account paid for. Here are the steps for getting started:

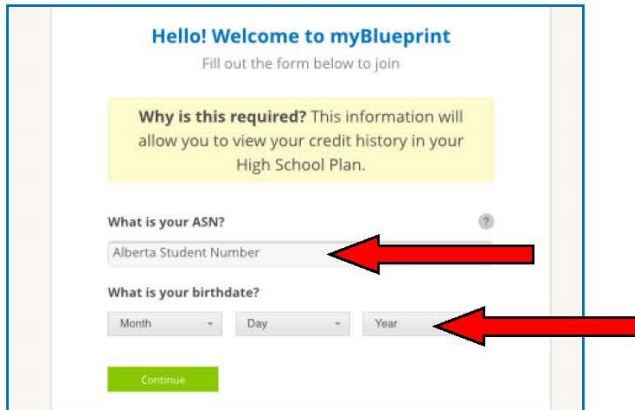

Step 1: Type in our school password "hilltop" and click on create account.

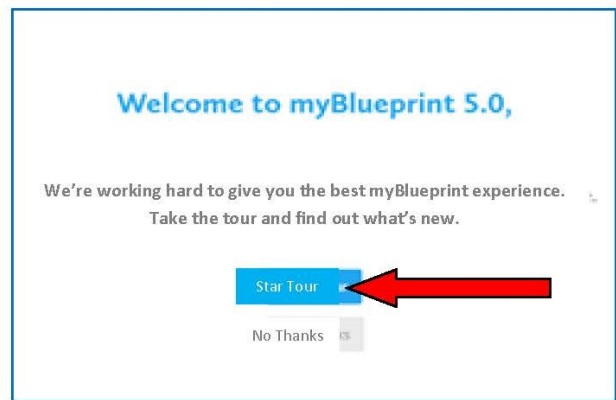

Step 2: Choose your grade.

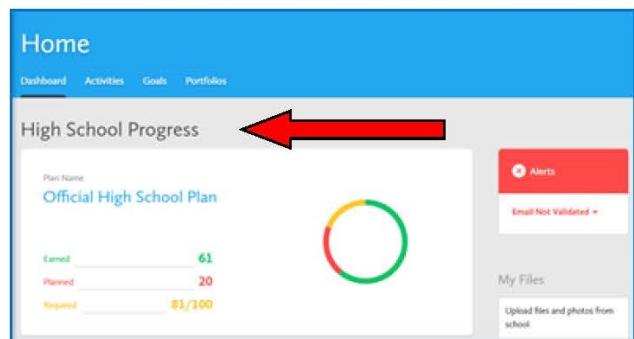

Step 3: Enter your Alberta Student Number and birthdate. (Your Alberta Student Number can be found on your PowerSchool)

Step 4: You're in, start touring!

Step 5: myBlueprint connects to PowerSchool automatically to count credits, check graduation requirements and help research schools and career pathways.

Hilltop High School would like to request that all students leave any valuables at home.

We also, encourage all students to keep their combinations for their hall & gym lockers confidential.

Does the school have your child's current contact information? Please contact the school to verify if you have concerns @ 780.778.2446.

Synervoice/Automated Calls Home

Please be advised if our system has rejected your phone number due to a cancelled landline, we will use the next available phone number (ex: cell phone number) for emergency purposes and automated calls home in the event of student absence.

Passport Photos

Available in the Media Lab **\$20.00 each**

Appointments are available Monday to Friday between 9:00 am and noon. Call Hilltop and ask for Derek Schlosser at 780-778-2446 to book an appointment.

Parent/Guardian Reminder

Please remember that **ALL** students must be signed out by a parent/guardian when leaving the building for any reason, including in the event of an emergency or evacuation. Students can be signed out by a parent/guardian either in person or by calling the school at 780-778-2446.

We appreciate your cooperation.

Attention Parents

Please remember that we **no longer print report cards**. All students courses, assignments, grades and absences are available on Power School to view at any time. However, we can print a report card if requested. If you have not signed in for Power School, or are having difficulty signing in, please contact the front office and we will help get you started. If you have no access to internet you are welcome to stop in to the Learning Commons and access Power School through our internet.

If you are going to be late or absent for any reason, please have your parent or guardian call the school at 780.778.2446.

Please use our answering machine if you need to call before or after school hours.

Time suggested for homework + studying

if you are pursuing academic excellence at Hilltop High School

GRADE TEN

Only four core classes are available. Instead of fast-tracking, explore your interests, try different electives, and complete PE 10. Perhaps you could explore sports and extra-curriculars. No homework, you say? Read the newspaper or explore something new.

 <p>20 min x 3 days of the week</p>	 <p>20 min x 3 days of the week</p>	
 <p>20 min x 5 days of the week</p>	 <p>30 min x 5 days of the week</p>	 <p>exercise and sleep help you achieve</p>

GRADE ELEVEN

Four science courses may become available to you: Biology, Chemistry, Physics, and Science 20. Many students manage two at a time quite well by keeping on top of things. Math 10C branches into two streams 20-2 and 20-1 (both for students interested in University, it mostly depends what you want to explore career-wise). To excel in Social, pay attention to current events. To excel in English, read lots of varied texts. It is also time to complete CALM.

 <p>Bio 20 - 5 x 30 min Chem 20 - 5 x 30 min Physics 20 - 5 x 30 min Science 20 - 5 x 20 min Science 24 - 3 x 15 min</p>	 <p>20 min x 3 days of the week</p>
 <p>Social 20-1 - 3 x 30 min Social 20-2 - 3 x 30 min</p>	 <p>Math 20-3 - 2 x 15 min Math 20-2 - 5 x 40 min Math 20-1 - 5 x 40 min</p>

GRADE TWELVE

Put away your phone and buckle up. Apply for post-secondaries as early as October 1st. Think about working less and earning higher marks; you have your whole life to work. If you miss school, you have work to do!

 <p>30 minutes per week to work on scholarships and post-secondary preparations</p>	 <p>Lots of sleep contributes to your ability to learn.</p>
 <p>3.5 hours per science and math course /wk (spread out) 2 hours for English and Social, each /wk (spread out). Is a part-time job a good idea?</p>	 <p>Healthy fun will help you maintain balance.</p>

Grades 6 and 9 Provincial Achievement Tests (PATs) Quick Facts for Parents/Guardians

What are PATs?

Provincial Achievement Tests (PATs) are administered to students in grades 6 and 9 and have three main purposes:

- to determine if students are learning what they are expected to learn;
- to report to Albertans how well students have achieved provincial standards at given points in their schooling;
- to assist schools, authorities, and the province in monitoring and improving student learning.

When are PATs administered?

PATs are administered in May and June annually in English and French language arts, mathematics, science and social studies in grade 6 and grade 9. Some grade 9 students write PATs in January of each year.

Are there any practice questions my child can do before writing PATs?

Yes. Students can try out the released questions from previous PATs that are located at <https://questaplus.alberta.ca/PracticeMain.html>.

When will I find out my child's PAT results?

After PATs are administered, school staff share the preliminary results with parents. Each fall, Individual Student Results (ISPs) are made available to schools that contain official student results. School staff then share the ISPs with parents and keep a record of the ISP on the student's record in accordance with the *Student Record Regulation*.

Want to know more?

More information and resources for the PATs are available on the Alberta Education website at <https://education.alberta.ca/provincial-achievement-tests>.

The personal information collected in the Provincial Achievement Testing program is collected pursuant to section 33(c) of the *Freedom of Information and Protection of Privacy Act* (RSA 2000, C. F-25). This information will be used for the purpose of administering the Provincial Achievement Testing program as well as support program and policy evaluation and measurement.

Questions regarding the program and collection, use and disclosure of information may be directed to the Director, Provincial Achievement Tests, Student Learning Standards, Alberta Education, 6th Floor, 10044 -108 Street, 44 Capital Boulevard, Edmonton, AB T5J 5E6 or by telephone at 780-427-6204. (Dial 310-0000 to be connected toll-free from outside the Edmonton area.)

Test Taking Tips for ALL Students

General Tips

- Before you begin, find out:
 - how much time you will have to write the test
 - what materials you will need to write the test
- Skim through the whole test before beginning
- Read all instructions carefully
- Ask questions if you are unsure of something
- Answer the easy questions first and then go back to the harder ones
- Double-check to make sure you have answered everything before handing in the test

Multiple Choice Tests

- Skim through the entire test. Find out how many questions there are and plan your time accordingly
- Do not spend too much time on any one question. Make a note beside a difficult question and go back to it if you have time
- Read each question carefully, underline key words and try to think of an answer before looking at the choices
- Read all the choices and see which one best fits the answer that you thought of
- When you are not sure which answer is correct, cross out/erase any choices that you know are wrong
- If time permits, recheck your answers
