## Message from the Principal

In the November Newsletter I want to highlight some of the things happening at Hilltop School.

Sports are always a big part of our school. The Cross Country Running team has done very well. Congratulations to Etienne De Jongh (4<sup>th</sup> place junior boys) and Kennedy Bahm (2<sup>nd</sup> place junior girls) for their achievements. Our Volleyball teams have been busy playing in a number of different tournaments and have been doing well. Our Cats Football team is having an outstanding year. It's also the time of year where our Curling teams and Basketball teams begin their seasons. Good luck to all our sport teams

Our student council held a student and staff barbecue near the beginning of October and it was great success and enjoyed by all.

The graduation committee is busy getting organized. Students have elected a new Grad Executive. We all know the significance of Graduation to our Grade 12 students, their parents and our school.

Drama is in full swing. On December 4<sup>th</sup> and 5<sup>th</sup> the Drama 10/20/30 classes will be performing "Haphazardly Ever After". Mark these dates on your calendar.

Five of our Whitecourt Wolverines are part of a group called "Flex Your Head". As part of their role they work with some of our Grade 9 boys. The program is co-facilitated with Lexi Ames, Teen Centre Co-ordinator.

This year at Hilltop we have a guitar club. We have over 20 students enrolled in the club. This is another great opportunity for our students to explore their talents.

Yearbook committee is working on producing another "yearbook" filled with memories of Hilltop 2014/2015.

Medieval Club meets on Thursdays after school from 3:40-5:00 pm. In medieval club students learn medieval martial arts and how to conduct themselves as honourable knights once did. Students can learn to fight, referee or how to build armour at the club. Everyone is invited and everyone can come have fun. See Miss Mehl for more information.

School Reach is on Fridays at lunch in Miss Mehl's room 304. If you like game shows and know anything about movies, music, pop culture, math, science, sports or history, you can come out and test your knowledge.

The Humanitarian Club; for those of you that don't know, sponsors two projects in Uganda, Africa. One being an orphanage and the other is to provide financial support to grandparents that wish to raise their orphaned grandchildren. This support is used for food, lodging and schooling. The club donates \$1,000 a month. The funds are raised by students volunteering their time and the funds are sent as sponsorship to the above causes. We would like to send a big thank you for the generous volunteering and what those involved do to help another community in need.

Thank you to all the students who participate in the activities the school has to offer, as well as a big thank you to staff that run these activities.

Hilltop "A Great Place to LEARN... and more!"

Principal, Egbert Stang

### THE HILLTOP CANTEEN

We are very excited to announce that we have just celebrated our one year anniversary! Thanks to everyone for making this possible.

We continue to offer healthy options for the students and staff to purchase. With the cooler weather upon us, watch for warm and comforting specials on Wednesday's with the exception of Flex Block Wednesday's.

We also continue to sell our CANTEEN CARDS and they can be purchased in the canteen during school hours or from the front office during school and after hours.

With the Christmas season not so far off, the canteen cards may make a nice thank you gift for any Hilltop student who may babysit, mow lawns or even help to rid your driveway of that dreaded snow that is sure to come. They might even make a nice socking stuffer.

Any question on the canteen cards or any thing else please feel free to stop in or call Trish at 780-779-7706.

### Artists of the Month

I would like to acknowledge Jessica Hellekson and Megan Thibeault in their combined effort on a commissioned piece from Dave Green. These young ladies worked hard on a tight schedule in order to complete a painting 12 feet by 8 feet. The painting was a stylized mountain range, planned and drawn by them. These artists also took the liberty to add the Northern lights shining above the mountains, which truly completed the piece. Their effort and talent paid off, as the commissioner of the painting was delighted by the final outcome.

### Humanitarian Club

We are excited to start up the Humanitarian Society again this year. We have had a great turn out, with lots of willing hands ready to help to our cause. For those of you who are not aware of what the Humanitarian Society is, we are a student-run organization that raises money in order to help support grandparents keep their orphaned children as well as an orphanage in Uganda. If you are interested in joining we meet every Thursday at lunch in Mrs. Rosvold's room. It is a worthy cause full of fun and exciting activities.

We started off the year with elections for the various positions within the society. The position were filled as follows:

- ◆ President - Jessica Berggren
- ◆ Vice President - Jennifer Long
- ◆ Secretary - Rae Swanson
- ◆ Treasurer - Caelyn Basaraba
- ◆ Media Team - Justine Davey, Rhyleigh Henault, Kaitlyn Snow and Elizabeth Pitt-Taylor

We took some time to get to know each other at our annual welcome back party. Burgers were eaten, laughs were had and even a brave soul managed to find their way to the hot tub. Now our force is ready to raise some money. Look out for us at the following events Firemen's Ball and Halloween, where we will be selling some candy bags.

The Jr. girls volleyball is continuing a great run this season as they remain undefeated in GCAA league play. The team is also looking forward to the Mayerthorpe tournament where their skills will be tested. This will be great timing as the team gets ready for their zone tournament and league finals.

The Sr. boys and girls volleyball continues with the teams getting stronger as the season rolls on. The girls are sitting in the middle of the pack in league play and the boys are on top of the standings also with an unblemished record. Both teams are getting ready for some tough games in the Edson tournament. The Chargers will be facing rivals from all over the zone and look to move up the rankings before the zone tournament.

A big thank you to Brock Elliot and the time he put towards the Jr. boys volleyball program this year. It is truly appreciated from all of us here at Hilltop.

Congratulations to the Hilltop Chargers Sr. boys volleyball team for winning the Mayerthorpe Sr. volleyball tournament on the weekend. The chargers defeated Evansburg in the final with scores of 25 - 18 and 25 - 21. The chargers teams will be competing in Edson next on Oct. 31, & Nov. 1, 2014. **GO CHARGERS!**

Coming soon, you will see student sports reporters around the school and on the Monday announcements as they interview coaches, athletes and the students here at Hilltop.

*Hilltop High School Drama 9 Presents the following:*

On October 31, Halloween Day, at lunch the Drama 9 students organized and performed A Haunted House. It was a fun time filled with spooky & scary costumes and well received by all the students.

- ◆ *Haphazardly Ever After* by Jeff Fluharty Dessert Performance by the *High School Drama Class*  
Theatre December 4<sup>th</sup> and 5<sup>th</sup> in the Auditorium at 7:00 pm. \$10.00 each  
Tons of magical fun awaits in this original, one-of-a-kind fractured fairy tale farce where nothing goes as planned. The cast includes a Narrator, a Royal family, Faeries, Servants, Teachers, a Magic Mirror, a Fairy Godmother, Enchanted Depot Employees, a Witch, a Sorcerer, and a Fairy Tale Inspector. Everyone in the play is changed by their experiences and may possibly live haphazardly ever after!
- ◆ *If The Shoe Fits* by Karen Woodford Dessert Performance by Drama 9-1 (will take place in January)  
Prince Owen is depressed. He's ready to go to college and study computers (After all, the Kingdom of Kravitz is the only kingdom without a webpage!), but tradition dictates that he attend a ball in honor of his graduation and choose a bride. All the eligible girls in the kingdom will be there, including the Royal Fan Club. The play includes a king who's a stickler for tradition, a town crier who hates his job and a fairy godmother straight from the employment agency, this modern twist of an old favorite is sure to provide a rollicking good time for cast and audience alike!
- ◆ *The Princess King* by Jeff Fluharty Dessert Performance by Drama 9-2 (will take place in January)  
Everyone loves a good story, especially when it comes to life! Lucille's mother tells her the story of "The Princess King" as it unfolds before the audience on stage. Princess Genevieve wants to marry Henry, but he's just a common cook. Of course, the king thinks this is ridiculous and takes it upon himself to choose who will be the next king and a suitable husband for his daughter. Filled with mistaken identities, tongue-in-cheek humor and over-the-top characters, your audiences will cheer for the princess as she tries to outsmart Prince Air-Guitar and evil "Prince Fluffy" and battle the great chicken -dragon, with some help from Henry's delicious lasagna!

**Grade 9 PAT: IMPORTANT Parent Information**

In January and June of this school year, students in Grade 9 throughout the province will write provincial achievement tests in four subject areas: language arts, math, science and social studies. Results from these tests will provide Alberta Education, school, administrators, teachers, parents, students and the public with information about what students know and can do in relation to provincial standards at the end of Grade 9. These results can be used to improve learning opportunities for students.

To ensure that they do their best when writing an achievement test, special format test materials and other writing accommodations are available to students who have learning or physical abilities and who use such accommodations regularly to support their learning. *If a student is **NOT** capable of responding to an achievement test even with one or more writing accommodations, or if participation would be harmful to the student, a superintendent may excuse a student from writing.* A superintendent's decision to excuse a student from writing an achievement test is based on a recommendation from the principal that is supported by the child's parent or guardian. ***This recommendation must also be supported with documentation such as a student's individual learning plan (IPP).***

**ARE YOU LOOKING FOR REVIEW OR STUDY MATERIAL FOR YOUR GRADE 9 CHILD?**

"The Key" study guide is a resource published by Castle Rock Research and is designed to provide a focus for students in studying for PAT's and for general class review at the grade 9 level. "The Key" is available for Social Studies 9, Math 9, Language Arts 9 and Science 9; it provides a summary of the main course content and practice questions. "The Key" follows Alberta's Program of Studies and focuses on the outcomes for each grade 9 class.

We are making "The Key" available to our grade 9 students at the cost of \$20.00 per Key (sold for up to \$30.00 in most bookstores) on a pre-order basis. We are only doing one order this school year. Buying "The Key" is not required and is being offered only as a service to students to help them review class material/content and to help in their preparation for exams.

Money or cheques (made out to Hilltop High School) will be collected by your child's homeroom teacher until Monday November 24. We anticipate that we will receive "The Key" books before the winter break.

A copy of the order form is attached or they can be picked up at the Hilltop office until November 24. Homeroom teachers will have order forms too.

## IN FLANDERS FIELDS

In Flanders fields the poppies blow  
Between the crosses, row on row,  
That mark our place; and in the sky  
The larks, still bravely singing, fly  
Scarce heard amid the guns below.

We are the Dead. Short days ago  
We lived, felt dawn, saw sunset glow,  
Loved and were loved,  
and now we lie,  
In Flanders fields.

Take up our quarrel with the foe:  
To you from failing hands we throw  
The torch; be yours to hold it high.  
If ye break faith with us who die  
We shall not sleep, though poppies  
grow  
In Flanders fields.

John McCrae
