Welcome to March. With the government releasing restrictions, we look forward to getting back to some sense of normalcy.

Parents of students in Grade 10 will have the opportunity to complete the annual Alberta Education Assurance Survey. This used to be called the Accountability Survey. Surveys are to be completed by March 25, 2022. We strongly encourage all parents to complete this survey as it provides the school with valuable feedback to aid us in planning. Students and staff will complete their surveys by mid-March.

Any student interested in the Minister of Education's Youth Council can apply until March 25, 2022. This council gives students a direct line to the Minister of Education. The minister is looking to attract 40 junior and senior high school students, ages 14 to 19, with diverse interests, identities, backgrounds, and perspectives from all regions of Alberta. For more information and instructions on how students can apply, visit alberta.ca/student-engagement.aspx.

We will also be holding Parent Teacher Interviews on the evening of March 24. We will be returning to in person interviews for this round. The portal on the school website will be available to book appointments beginning March 7. We also host our Fine Arts Night during the spring Parent Teacher Interviews.

We would like to thank Mrs. Long for her dedication to Hilltop. Mrs. Long will be leaving her position early in March. We are currently recruiting a replacement. We wish Mrs. Long well in her future endeavours.

Hilltop has many ways for parents to stay up to date on what is happening at school. Our School Connects system sends home attendance information daily for students who have not had their absence called in to the office. We also have a Remind account where parents can receive text messages of important school announcements. There is a link to sign up on the school website. You can also follow us on Twitter and Facebook and check the school website for updates.

Brent Northcott

Have you registered for ngpsTALK yet?

Learning for life. Together.

Dear Parents/Guardians:

We are excited to share with you our new engagement platform **ngpsTALK**.

Northern Gateway Public Schools is excited to introduce a new platform, ngpsTalk, where stakeholders (students, staff, parents, community members) will have the opportunity to offer ideas, feedback and stories of their experiences and thoughts regarding schools and education. It allows students, parents, staff, community members to add their voice to support the work of our schools.

In order to access the ngpsTALK platform, you must register and have a login. We are encouraging staff, students, parents, and community members to register and participate in our current and upcoming projects.

The registration process is as follows:

- 1) go to ngpstalk.ca
- 2) click the register now button
- 3) fill in the short registration form
- 4) confirm your registration through an email sent to your inbox

Once confirmation is complete you are able to log in and participate in the active engagements.

Our first engagement is titled *What makes your school community shine?* In the spirit of the new year, we are kicking things off with a "feel good" discussion aimed at celebrating our schools.

If you could only pick one thing, what is the one thing you would say makes your school community shine?

We look forward to sharing your submissions and celebrating each and every one of our school communities!

As part of the registration drive, we are offering prizes to those who sign up.

- 1 'Family Fun Pack' prize per school community (all parent and community registrants names are entered into the draw; not students)
- 2 Grand Prizes which are new touchscreen Chromebooks (all registrants names are entered into the draw including students)

There will be promotional material and a school newsletter article coming out in the next few days regarding this. Please watch social media for more.

Your voice is important! Register today to join the conversation - LET'S TALK!

COVID-19 INFORMATION

COVID-19 ALBERTA HEALTH DAILY CHECKLIST (FOR CHILDREN UNDER 18)

Overview

This checklist applies for all children, as well as all students who attend kindergarten through Grade 12, including high school students over 18. Children should be screened every day by completing this checklist before going to school, childcare or other activities. Children may need a parent or guardian to assist them to complete this screening tool.

If your child has traveled outside Canada in the last 14 days, follow the [Government of Canada Travel, Testing, Quarantine and Borders](#) instructions, including any requirements for exempt travelers related to attending high-risk environments. International travellers who become a case of COVID-19 after arrival in Alberta should follow isolation requirements outlined by the Government of Canada.

If your child has tested positive on a [rapid antigen test](#) or received a message from Public Health indicating that they are a case⁴ of COVID-19, they are required to isolate as per [Public Health instructions](#). For more information on isolation requirements after a positive rapid antigen test, refer to the [Rapid testing at home website](#).

Screening Questions for Children under 18:

1.	Has your child been a household contact of a case⁴ of COVID-19 in the last 10 days? <i>A household contact: a person who lives in the same residence as the case OR who has been in frequent, long-duration, close-range interaction with a case of COVID-19. For example, someone who slept over, attended a birthday party or someone who was a play date with a case.</i>	YES	NO
If child answered "YES" AND they are NOT fully immunized⁵: <ul style="list-style-type: none"> Child should stay home and NOT attend school, childcare and/or other activities for 10 days from the last day of exposure and monitor for symptoms, unless they have tested positive for COVID-19 in the last 90 days AND completed the mandatory 10-day isolation period, in which case they can proceed to question 2. 			
If child answered "YES" and they are fully immunized⁵ proceed to question 2: If child answered "NO" to question 1, proceed to question 2:			
2.	Does the child have any new onset (or worsening) of the following core symptoms:		
	Fever Temperature of 38 degrees Celsius or higher	YES	NO
	Cough Continuous, more than usual, not related to other known causes or conditions such as asthma	YES	NO
	Shortness of breath Continuous, unable to breathe deeply, not related to other known causes or conditions such as asthma	YES	NO
	Loss of sense of smell or taste Not related to other known causes or conditions like allergies or neurological disorders	YES	NO
If the child answered "YES" to any symptom in question 2: <ul style="list-style-type: none"> If the child is fully immunized⁵ <ul style="list-style-type: none"> Isolate for 5 days from the day of onset of symptoms or until symptoms resolve³ whichever is longer. After this isolation period, up to a total of 10 days from the day of symptom onset, they are required to wear a mask at all times when in a public place or otherwise in the company of other persons with no exceptions. If the child is NOT fully immunized⁵, <ul style="list-style-type: none"> they must isolate for 10 days from the day of onset of symptoms or until symptoms resolve³ whichever is longer Whether they are fully immunized or not, even if they have a negative molecular (e.g. PCR) COVID-19 test or two negative rapid antigen tests, taken not less than 24 hours of each other, they still must isolate until symptoms resolve³. If they are within three weeks of the initial positive test of a previous infection they do not need to test again, and they can leave isolation when symptoms resolve³. They can use an at-home rapid antigen test if available or access the AHS Online Assessment Tool for advice on managing mild symptoms, and whether they are eligible for a COVID-19 molecular test. 			

³Symptoms resolved means symptoms have improved and with no fever for 24 hours without the use of fever reducing medication

⁴ A lab-confirmed case OR a probable case as defined in the [Alberta COVID-19 Notifiable Disease Guideline](#)

⁵ A child who has received the complete vaccine series for COVID-19 and it has been 14 days after the second dose in a two dose series

HEALTH AND SAFETY

- NOTE:**
- If they have had a previously confirmed COVID-19 infection within the past 90 days, wait until three weeks have elapsed from the initial positive test, to take a rapid antigen test.
 - Children 2 years of age and younger are not eligible for rapid antigen testing and should complete the [AHS Online Self-Assessment tool](#) to access molecular (e.g. PCR) testing.

If the child answered “NO” to all of the symptoms in question 2, proceed to question 3.

3. Does the child have any new onset (or worsening) of the following other symptoms:		
Chills Without fever, not related to being outside in cold weather	YES	NO
Sore throat/painful swallowing Not related to other known causes/conditions, such as seasonal allergies or reflux	YES	NO
Runny nose/congestion Not related to other known causes/conditions, such as seasonal allergies or being outside in cold weather	YES	NO
Feeling unwell/fatigued Lack of energy, poor feeding in infants, not related to other known causes or conditions, such as depression, insomnia, thyroid dysfunction or sudden injury	YES	NO
Nausea, vomiting and/or diarrhea Not related to other known causes/conditions, such as anxiety, medication or irritable bowel syndrome	YES	NO
Unexplained loss of appetite Not related to other known causes/conditions, such as anxiety or medication	YES	NO
Muscle/joint aches Not related to other known causes/conditions, such as arthritis or injury	YES	NO
Headache Not related to other known causes/conditions, such as tension-type headaches or chronic migraines	YES	NO
Conjunctivitis (commonly known as pink eye)	YES	NO

- If the child answered “YES” to ONE symptom in question 3:**
Keep your child home and monitor for 24 hours and consider giving child an [at-home rapid antigen test](#).
- If [at-home rapid antigen testing](#) is not done and the symptom is improving after 24 hours, your child can return to school and activities when they feel well enough to go.
 - If the symptom **does not improve or worsens** after 24 hours (or if additional symptoms emerge), use an [at-home rapid antigen test](#) if available or follow the [AHS Online Assessment Tool](#) for advice on managing mild symptoms, and whether you need to be tested for COVID-19.

- If the child answered “YES” to TWO OR MORE symptoms in question 3:**
- Keep your child home
 - Use an [at-home rapid antigen test](#) if available or follow the [AHS Online Assessment Tool](#) for advice on managing mild symptoms, and whether you need to be tested for COVID-19.

- NOTE:**
- If they have had a previously confirmed COVID-19 infection within the past 90 days, wait until three weeks have elapsed from the initial positive test, to take a rapid antigen test.
 - Children 2 years of age and younger are not eligible for rapid antigen testing, and should complete the [AHS Online Self-Assessment tool](#) to access molecular (e.g. PCR) testing.

- For at-home rapid antigen testing result instructions:**
- If [at-home rapid antigen test](#) is negative they can return to school and activities when they feel well enough to go.
 - If [at-home rapid antigen test](#) is positive, the child is required to isolate as outlined above for **question 2**.

- If the child answered “NO” to all questions:**
- Your child may attend school, childcare and/or other activities

Please note: If your child is experiencing any symptoms from the lists above, do not bring them to *visit* a continuing care or acute care facility for 10 days from when symptoms started or until symptoms resolve (whichever is longer), unless they receive a negative COVID-19 molecular test result or two negative rapid antigen tests, taken not less than 24 hours of each other and feel better.

HAPPENINGS AT HILLTOP

Big thanks to Jamie St. Martin, Hilltop Alumni and Journeyman Electrician with Flint (a division of ClearStream) and Charity Vollmann with Careers Next Generation for the tour of The Manor construction site where our Electrical RAP student, Seth Lanctot, has begun his journey as a registered apprenticeship.

NEW Interactive Yearbook

CHECK THIS OUT!

We are one of the first schools in Canada to do an interactive Yearbook with Jostens.

Students can log in with their email and upload up to 10 pictures, once the Yearbook is printed they can scan their classmates picture in the Yearbook and see the extra photos. We will also have it for school sports, an icon will appear and we can load extra pictures for any club, team or group.

All photos submitted are checked by AI and Yearbook Club. The cut off date for submitting photos is approximately one week after grad day.

Thank you to the Whitecourt Indigenous Friends Society for recognizing these students and their efforts in the logo creation contest. Congratulations to **Ashley Brown** for creating the winning logo. Thank you to

Austin Pepper, Courtney Kotchilea and Tatum Gower for participating, they earned 2nd/3rd place and honourable mention.

Urban Gardening Class Blossoms

Urban Gardening students get the tower gardens started and seeds planted as they prepare for the growing season. They also had a sale at Valentines Day, selling hand dyed rainbow carnations. We love seeing this class bloom each year because it means Spring is on the way!

Students had some egg-citing labs in Mr. Buttons class. First **Bio 30** students carefully dissected a sheep brain and then **Physics 30** students tested the laws of motion in their egg lab. The learning never stops in Science

Thank you Concordia University for stopping by to show students the many possibilities available to them at their post-secondary institute. Congrats to **Liam Gagnon** who won the Concordia prize draw.

Cooking with Chef Mercer

and her fabulous students

Chicken Fried Rice

Start with the rice....

- 1 tablespoons of butter
 - 3/4 cups rice
 - 1 1/2 cup chicken stock
 - 1/2 Teaspoon of salt
 - 1/4 teaspoon for pepper
1. In a medium size saucepan (soup pot) on medium heat melt the butter, and then stir in the rice.
 2. Cook for about 4 minutes making sure all the rice is coated with the melted butter
 3. Pour in the chicken stock, and salt and pepper
 4. Bring liquid to a boil on high, and then turn to **low**, cover with a lid and cook for 15 minutes
 5. Turn off heat, leaving it **covered**, let sit for 5 minutes...then Fluff with a fork
 6. Place in a Tupperware container, labeled with group names and place into the fridge in the storage room.

While rice is cooking...you will need to cut the onion & chicken

- 1 tsp sesame oil
 - 3 tablespoons of diced onion, diced small
 - 1 chicken breast, cubed into **small** pieces
 - 1 tablespoon soy sauce
1. Heat sesame oil in a large black frying pan, over medium heat.
 2. Add onion and the chicken and cook until the onion is soft, then chicken is almost completely cooked.
 3. Add 1 tablespoon of soy sauce and stir-fry for 2-3 minutes.
 4. Remove from pan and place into bowl

Fry the egg next...

- 1 Tablespoon butter
 - 1 egg
1. Melt butter in same frying pan, then cook the egg and cook until you end up with scrambled eggs, then remove it and place into same bowl as chicken mixture

Veggie time... cube small

- 2 tsp canola oil
 - 1 large carrots, diced small
 - 1 stalks celery, chopped
 - 1/4 large bell pepper, diced
 - 2 tablespoons frozen peas
 - 2 tablespoons corn
1. Next turn the heat up, add the canola oil
 2. Cook the carrots, celery, and bell peppers until tender. Once cooked add the peas and corn. Season with salt and pepper.
 3. Remove the vegetable mixture and add it to the chicken, vegetable and egg bowl.

CLEAN THE FRYING PAN

Let's finish this....

- 1 tsp sesame oil
 - 1 tsp butter
 - pinch red pepper flakes
 - 1 tsp garlic
 - 1 tsp ginger
 - 2 tablespoons soy sauce
 - 1 Teaspoon Hot sauce
 - 1 teaspoon lime juice
 - 1 teaspoon sesame seeds
 - 1 green onions thinly sliced
1. Get the pan nice and hot again.. Add the sesame oil, butter, red pepper flakes and garlic, ginger. Cook for 2 minutes.
 2. Add the rice and stir thoroughly making sure it fries up, and does not stick on the bottom of the frying pan (BEST TO USE A WOODEN SPOON)
 3. Pour in the chicken veggie, egg mixture.
 4. Fry it together
 5. Finally, stir in all the other ingredients, soy sauce, hot sauce, lime juice, sesame seed, and green onions
 6. Serve hot

Equipment List: Make sure to gather equipment BEFORE you start

- Cutting board x2

INDIGENOUS NEWS

Tansi, Abawasheded, Hello

I am very pleased to say that we have two conferences in the near future that we are offering to students. These conferences are **FREE!** I am excited to share information about the **Indigenous Youth Rising Conference** which is hosted by Kihew Waciston MacEwan University. This is a virtual presentation on March 9, 2022. Hilltop High School Students can register for this and we will be gathering in the schools Learning Commons. That day we will offer a free luncheon for students and we will be entertained by many wonderful guest speakers throughout the day.

Also we will be taking part in the **We Belong: Celebrating 2SLGBTQ+ History conference** which is funded by the Department of Canadian Heritage. This will be held at Hilltop High School's Learning Commons on March 2, 2022. Students must register as soon as possible as these presentations have limited capacity, and may fill up quickly. Also on this day, we will be having lunch, no charge to our students. Please come to Student Services for more information regarding these wonderful opportunities.

Hiy Hiy, Ish Nish, Thank you

What is Gateway Academy?

Gateway Academy is Hilltop High School's Outreach program. Our alternative educational setting is designed for students that are unable to, or do not wish to, attend a traditional high school program. We offer programming for Grades 9 through 12. The program is based on Alberta Education's curriculum and students receive credit towards their high school diploma as they would in the regular program.

We offer a nurturing environment that supports not only academic development but emotional, social and intellectual growth.
 We offer:

- A flexible schedule where students can drop in to receive individualized tutorials;
- **A quiet, welcoming learning environment;**
- **Individualized independent learning;**
- In person and/or online one on one tutorials with the subject teacher;
- Personal Support (**including access to counselling with a psychologist from Canniff & Associates**);
- Staff mentorship to aid in planning high school courses and school-career transitions.

Staff members for the 2021/2022 School Year are:

Maureen Kendall - Outreach Coordinator/English & Options Teacher
 Contact: maureen.kendall@ngps.ca
Petra Lewis - Math/Science Teacher

Student Services Newsletter

Our Student Services Team works diligently to support our student's social, emotional, career and academic needs. Opportunities for students are communicated through weekly announcements, newsletters and through Hilltop's Social Media. Students are invited to drop into our Student Services area for support or to see Ms. Trebilcock or Mrs. Smith - Tomke for an appointment.

RAP - Registered Apprenticeship Program

If you are interested in a RAP position and would like to find out more information, or are an employer wanting to hire a RAP student, please contact Mrs. Van De Kerckhove in the front office.

MCSnet Scholarship Opportunity

As Alberta's largest rural internet provider, we believe students deserve to grow their education in technology. That's why we started the new **MCSnet Scholarship program**. Our local communities are at the heart of our success, and we want to invest in our young people's future. Each year, we will offer four \$1000 local scholarships to graduating grade 12 students. To be eligible, you must be pursuing post-secondary education in Computer Science or related studies, and you must reside in the MCSnet service area. For more information and the application, please visit **hilltophigh.ca** > Graduation/Scholarships > Scholarships and Bursaries

Work Experience

Many students have signed up for work experience but have not yet handed in the paperwork needed to get them started. If you have not already done so, please hand in the signed Off Campus Agreement and the Parent Permission form. As well, be sure to hand in signed hour sheets at the end of each month. See Mrs. Trebilcock for more information.

If you are you a student who is currently employed? Have you signed up for work experience? You can earn up to 15 credits towards your high school diploma. **Completion of HCS 3000 course modules is mandatory.**

Former Hilltop students looking for transcripts will need to sign up for MyPass. (See instructions below) Students needing their Alberta Student Numbers should contact Alberta Education directly at 310-0000 or online at learnerregistry.ae.alberta.ca.

MYPASS.ALBERTA.CA

To access your records after writing a diploma, you will need to have a myPass.alberta.ca account established.

GRADE 12 STUDENTS MUST SIGN UP FOR MyPass

**Alberta Education has decided that Diploma results will only be available via your MyPass account. *The school cannot create your account on your behalf.*

How to sign-up:

1. Go to mypass.alberta.ca
2. Create a login using "Sign me up, I'm new!" Do not use your @ngps.ca email. A confirmation link will be sent to your personal inbox.
3. Click on the confirmation link in your inbox. Confirm your birthdate and Alberta Student Number. You can find your ASN at <https://extranetapp.learning.gov.ab.ca/learnerRegistry/forms/>
4. Using a button on the subsequent screen, request that a secure verification code be mailed to your home via post. It should arrive within two weeks.
5. Upon receipt in the mail, login and enter the code. It will expire. Act promptly.
6. You will now have access to all of your academic records.

As an annual check-up on the education system, the Assurance Survey provides an opportunity for Alberta Education and school authorities to ensure that we are equipping students for success.

The Assurance Survey uses a set of 12 indicators consisting of surveys of students, parents and teachers on various aspects of quality; student outcomes such as dropout and high school completion rates; and provincial assessments of student learning.

From February to March 25, Alberta Education will be conducting the annual Assurance Survey. In February, parents of students in grades 4, 7 and 10 will receive a survey from Alberta Education. In early March, students in grades 7-12 and all teachers will be completing their surveys online at school.

All surveys are anonymous and ask questions about experiences with the school. In addition to English and French, the parent survey is available in Chinese, Punjabi, Arabic, Blackfoot, Cree, Korean, Spanish, Tagalog and Urdu.

Your participation in the survey helps provide important information on the quality of education your child is receiving, so we encourage you to return your survey promptly.

Survey results will be available to school authorities in June 2022, and will be reported publicly as part of their 3-Year Education Plans and Annual Education Results Reports.

TRUST IN THE GOOD

I started writing my regular article about resiliency and building strength for better days to come. Then a war began in Europe and I just could not hit send on my original piece. My mom shared a heartfelt poem with me this morning by Donna Ashworth that eased my anxiousness a little. I contacted the author and asked her permission to share it with you. I hope it will calm your fretful heart as it did mine.

The world can be a terrifying place at times and it seems we are emerging from one horrendous period, into another.

So if you are feeling wobbly today, it is no wonder.

The world is a scary place.

But it always has been.

And I am afraid it, always will be.

Keep your little corner of the world calm today,

And if you feel helpless and hopeless there is something you can do.

You can channel your fear into kindness.

It does help.

It is something to do with the energy of thousands of people sending positivity at the same time, it creates magic, of this I have no doubt.

So, when the winds of war rage and the hounds of dread howl, hunker.

Think kind thoughts, do kind deeds and spread love around your little part of the world.

And trust in the good.

There is always good.
