

This year Student council has decided to put on a bit of contest in for a good cause. We are calling it Donations for Donuts.

We are gathering items for the local Food Bank. The most needed items from our local food bank are canned soup, cereal, sidekicks pasta, granola bars and other lunch items, coffee, peanut butter as well as hygienic items such as tooth brushes, tooth paste, deodorant and toilet paper.

Each item is considered a point and the grade that has the most at the end will win donuts. There will also be a staff box so the staff is able to participate.

Our goal to raise one thousand items ( 2 items per student) The collection bins will be located in the front foyer. Student council will collect all items daily and keep an updated tally board to show which grade is in the lead. Posters will go up this week and we hope to officially start the food drive on Monday, December 7th and finish on Wednesday December 16th.

We will put an announcement in the Monday morning announcements for next week. Please help promote this contest with our students.

Thank you and happy donating

Hilltop Student Council.
