Welcome to November! We are holding our Remembrance Day assembly on Tuesday, November 8 during Block 2. We invite parents to join us for this important ceremony.

I would like to remind parents that our school council, the Friends of Hilltop, meets monthly on the third Wednesday of the month. Meetings start at 7 PM. We are in need of an executive for the 2016/2017 school year. Friends of Hilltop is a very valuable organization. Lots of information is shared at the monthly meetings and there is a great opportunity for parents to give feedback to the school. Our next meeting is on November 16. I hope to see you there.

Students will be taking part in the Canadian Student Tobacco, Alcohol and Drugs Survey on November 23. By participating in the survey, Hilltop will get a detailed picture of alcohol, tobacco and drug use by our students. Parent permission letters were sent home earlier. Please call the school if you do not want your child participating.

I would also like to invite parents to our parent teacher interviews which are scheduled for the evenings of November 2 and 3. Please drop by to check in with your teachers on your child's progress.

There is no school for students from November 9-11. This fall break is a good time for parents and students to relax after a couple of busy months of school. Students, enjoy the break.

We are also pleased to be able to offer students a daily lunch menu in the Hilltop Bistro. Chef Butler provides a daily special as well as sandwiches, soups, and vegetables for students. The cost is very reasonable.

Finally, good luck to our volleyball teams as they head into league finals and zones. Good luck also to the Cats as they take part in the Athabasca Bowl this weekend. Our sports teams are having great seasons. Basketball is next on the sports calendar with Sr. tryouts beginning on November 21.

Your partner in education,  
Principal  
Brent Northcott

### Special Guest

On **November 24th** former Hilltop graduate and local artist Justine Vandenhouten will be joining Mrs. Zack and her Art students to teach the beautiful art of Henna.

Grade 9 Outdoor Ed class learns to survive in the "Boreal" Forest!

### BIO 20 Field Trip

Mrs. Scott's Biology 20 class travelled to the McLeod and Athabasca Rivers on October 13 to complete a field study comparing biotic and abiotic characteristics of the two bodies of water. Chemical tests were performed and any organisms collected were studied and classified back in class. Field reports were written comparing physical, chemical, and biological characteristics between the two rivers. Thank you to Mr. Scott who volunteered to drive bus and to Mrs. Kendall who helped chaperone.

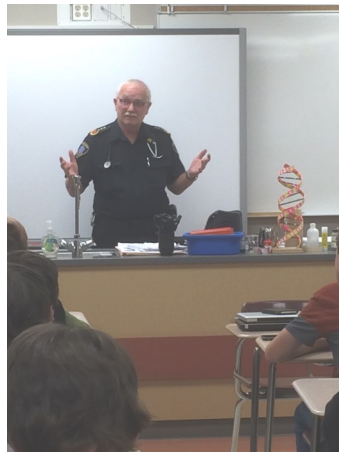

On October 6th, Whitecourt Family Violence Initiative Group brought in guest speaker **Jeffery Bucholtz**, co-director of We End Violence. Mr. Bucholtz spoke a powerful presentation about healthy relationships, bullying and domestic violence. He used karaoke as an interactive way to get students involved in his presentation. Together they decoded songs and talked about the impact, and unrealistic expectations of the messages portrayed in a lot today's music. Mr. Bucholtz shared some shocking statistics, Whitecourt Wellsprings receives approximately 180 crisis calls per month, 1 in 3 women are killed by someone they love and in a gymnasium of roughly 300 students, 60-90 of them will be victims of abuse. Also during the presentation we were honoured to watch a short film made for Wellsprings by one of our very own students **Rachel Wise**. Well done Rachel! Thank you Whitecourt Family Violence Initiative and Mr. Jeffery Bucholtz for such an informative presentation.

#WEENDVIOLENCE

#YESMEANSYES

On October 27th Mr. Schlosser welcomed guest speaker and head paramedic, **Bill McAree** to his grade 9 Survival in the Boreal Forest class. Mr. McAree shared different tips on survival in the forest. He explained the importance of being prepared and dressed appropriately before you head into the bush and to always tell somewhere where you are going. He also talked about how to deal with emergent situations and injury's by remaining calm, staying where you are and how to use the resources in your surroundings. Thank you Bill McAree for sharing your expertise with our students.

## Europe Trip 2017: Remembering Vimy

*France, Netherlands and Germany*

Next year's international trip will be heading to France for the 100 year Vimy ceremony. We will also be going to Paris, Netherlands and Germany. Some of the trip highlights will be attending the Vimy Ridge Memorial Ceremony with our Prime Minister. We will also be taking a sightseeing tour around Paris before heading off to Vimy. We will also be going to Anne Frank's house, the remains of the Berlin Wall, the Spy museum and Sachsenhausen Concentration Camp. This will be an amazing tour where you will experience new cultures, go where history took place and learn first hand about concepts we have spoken about in school. This itinerary is a once in a lifetime opportunity to experience the Vimy Ridge Memorial Ceremony. If you would like any information or have any questions, please see Miss. Mehl in room 304.

## Parents of Students in Grade 9

In January and June of this school year, all Grade 9 students throughout the province will write the provincial achievement tests in language arts, math, science and social studies. Results for these tests will provide Alberta Education, school administrators, teachers, parents, students, and the public with information about what students know and can do in relation to provincial standards at the end of Grade 9.

Achievement tests are based on what students have been learning. Teachers mark them before they are returned to Alberta Education. This allows the teachers to look at the performance of the students in their class and to use each student's achievement test score at **20%** of their final grade.

In the fall, an *Individual Student Profile* showing your child's achievement test results will be available at the school. You child will be given the results to bring home. The profile is prepared by Alberta Education after the marking and scoring of tests has been completed and final scores are calculated; it will present your child's performance on each test in relation to provincial standards. This information may be useful in planning your child's instructional program for the coming year.

Reports that show how well Hilltop High School students did as a group in relation to provincial standards will also be available at our school in the fall.

CANADIAN STUDENT  
TOBACCO, ALCOHOL AND  
DRUGS SURVEY

On **Wednesday, November 23rd** all students grades 9-12 will be participating in a 30 minute survey from Canadian Student Tobacco, Alcohol and Drug survey. By participating, we will receive updated statistics on our students in comparison to the rest of the country. If you would prefer your child to opt out of taking the survey or have any questions or concerns please contact the front office at 780-778-2446.

### Parent/Guardian Reminder

Please remember that **ALL** students must be signed out by a parent/guardian when leaving the building for any reason, including in the event of an emergency or evacuation. Students can be signed out by a parent/guardian either in person or by calling the school at 780-778-2446.

We appreciate your cooperation.

Hilltop High School would like to request that all students leave any valuables at home.

We also, encourage all students to keep their combinations for their hall & gym lockers confidential.

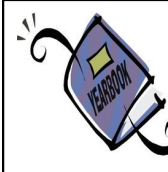

### The 44th Annual Whitecourt Christmas Hamper Project

Last year 197 families received Christmas hampers thanks to your generous support.

If you would like to request a hamper for the 2016 year you must request it personally at the Repeat Boutique on the following dates: November 30th and December 3rd, 7th, & 10th from 11:00 am - 3:00 pm. As well as on December 1st & 8th from 7:00 pm - 9:00pm .

## HILLTOP DRAMA PRODUCTIONS

Dessert Productions tickets \$10.00

### Young Sherlock

December 8<sup>th</sup> and 9<sup>th</sup> 7:00 pm  
in the Hilltop Auditorium

Take a trip back in time to when young Sherlock Holmes was a student at Butterworth Academy. Two girls are kidnapped from the school, and John Watson hopes his friend and classmate will be able to solve his first crime. Despite a psychic, Madame Lulu, appearing on the scene and guaranteeing to find the students, the bumbling, inept Constable Bing begins his own investigation. When the psychic suddenly finds the girls after the parents have paid the large fee demanded in the mysterious ransom note, Sherlock is suspicious. He sets a trap to snare the criminal, launching his career as a great detective who can solve crimes even before the police can.

### All That Remains is Dust

December 15<sup>th</sup> and 16<sup>th</sup> 7:00 pm  
in the Hilltop Auditorium

The 1920's, Prohibition, Speakeasy the mob and the police all team up to bring you a dramatic presentation. A power hungry mobster struggles to maintain control of his town, the police, the bootleggers while running his own illegitimate businesses. When a murder leaves them vulnerable alliances are revealed and relationships are strained. The only outcome that is for certain is that when the dust settles nothing will be the same and all that will remain is dust.

## Medieval Club

Have you ever wondered how knights fought back in medieval times? Or what arts and crafts people used to make? Perhaps you are into sports and martial arts or maybe you are just curious about what kind of skills were needed to be a medieval artisan. Hilltop's Medieval Club meets at lunch on Thursdays to learn all there is about the medieval times as well as how to do medieval style combat. Students can learn all about the medieval ways of fighting as well as about honour and chivalry. Students can learn about making medieval crafts like chainmaille and wire weaving, but also about making armour as well as how to engage a foe with cunning skill and accuracy. If you would like to find out what we do in Medieval Club, please come and speak to Miss Mehl in Room 304!

## School Reach Club

School Reach is a club devoted to quiz game shows. Students gather in room 304 at lunch on Fridays to test their knowledge about pop culture, music, sports, entertainment, history, literature, movies and much more. Come bring your lunch and some friends to try out our amazing game show buzzer system while answering some questions! Everyone is welcome and we have a great time during lunch hour.

### Storefront School News

During the month of October storefront students were busy keeping on track with module due dates, food prep courses and presentations.

The students helped prepare a delicious meal to welcome back Tammy Johnson. They served Atlantic cod, home fries and baked apple cheesecake. All of which came fresh from Newfoundland. They also prepared Taco in a bag. Both of which were delicious.

Storefront has exceptional support workers from the community that come to our school and help out; Crystal Fraser with Caniff will be here on Monday mornings from 8:30 to noon. Rebekah from Wellsprings will join us on Tuesdays from 10:00am-11:00am. Kyra Baranowski from Family Community Liaison will be at storefront on Thursday mornings at 9am. Jill and Tumara will be here on November 2nd and 8th from 10:00 am to 11:00 am to finish up a series of presentations on Healthy Relationships.

**Parent teacher interviews** will be held on **Tuesday, November 1st from 3:30pm to 6pm**. If parents and or guardians cannot make this time, please call the school to set up a time that is convenient for you.

Some of our upcoming events for November will be our Remembrance Day Ceremony at 10:30am on Tuesday, November 8th, 2016. It is our hope that our PE program will start again on Tuesday afternoon's beginning the second week of November and our Food's program will be held at 11:00 am on Wednesday morning's. Students will need to provide a recipe with an ingredient list ahead of time before they can cook.

We would like to thank Trish with the Community Lunch Box Program for her continued support by delivering doughnuts, bread and other food supplies on a regular basis. You are an angel!

Students please pay attention to course due dates and attend often to ensure success in your educational pursuits. Experience has shown that students who attend often make better progress and find success in their course work than those who do not.

### First Nations, Metis and Inuit (FNMI)

With Mrs. Smith-Tomke  
FNMI Liaison Worker

Tansi! The 2016/2017 school year at Hilltop High School promises to be very exciting. Any students interested in sharing ideas and learning the ways of the Indigenous people are encouraged to come to Student Services and talk to me. Throughout the year, Hilltop students and staff will be celebrating the Aboriginal culture through events such as a Blanket Ceremony, an Elders Talking Circle, a visit with Rupertsland Institute, and tea and bannock of course. With your input, I am sure we can come up with other ideas that will bring all cultures at Hilltop High School together.

If anyone is looking for a great read, author Joseph Boyden has written many novels that may appeal to you. The latest Boyden project was creating a novella named Wenjack which is the story of an Ojibwe boy who died after running away from a residential school in northern Ontario. This piece of history is gaining a lot of publicity lately, so I encourage you to read this story. We are at a time where there is so much resilience happening with in the Indigenous people, and I am proud to be part of this!

### Message from the Bistro

The Bistro is back up and running daily!

Please welcome Chef Butler to Hilltop! Bistro cards are available to purchase online via School Cash or from Mrs. Runge in room 503. Accepted payments of Visa, Mastercard, Interac and cash. Bistro cards are punch cards that can be used at the Bistro in place of cash. They are sold in \$10.00 and \$20.00 values. Bistro cards make a great gift for students.

### Student Council

A taco in a bag sale took place on the 25th of October. If you missed it this time, there will be one or two more sales throughout the year. We served 100 taco in a bags in about 15 minutes!

There was a Halloween costume contest at school on Monday, October 31, prizes were handed out to those who participated.

A Remembrance Day assembly will take place on the 8th of November in block 2. It will include a guest speaker, reciting of poetry, the singing of O' Canada and time to reflect on the sacrifices of our Canadian soldiers.

### To All Parents of Hilltop Students From Friends of Hilltop Parent Council

No elections were held at the last FOH meeting due to low attendance. If you are interested in joining the Friends of Hilltop Parent Society please contact the front office and we will help get you started. The next meeting is scheduled for Wednesday, November 16th at 7:00pm.

## **Helpful Hint from the Family Community Liaison Program (FCLP)**

The secret to raising a great child is to have a great relationship with them. There are many ways you can build a strong connection with your child.

Prioritizing time with your child is a great place to start. Make sure you set aside time to foster that one on one connection by doing something that you both enjoy. Whether that is going for a walk, having a snack together, or playing your favourite game, this allows your child to know that he/ she is a priority in your life.

Another great way to build a relationship with your child is to build trust with them. Make sure you follow through on promises that you make. If you decide you are too busy to spend time with your child that you promised you would happen, that trust will be broken. Once your child has built trust with you, they will begin to understand that you expect the same from them. They will understand that you trust them to tell the truth and behave appropriately.

Finally, another great way to develop your relationship with your child is to encourage them. Think of your child as a plant who is programmed by nature to grow and blossom. If you see the plant has brown leaves, you consider that it might need more light, more water, or more fertilizer. You don't criticize it and yell at it to straighten up and grow right. Children need your encouragement to see themselves as good people who are capable of good things, and they need to know you're on their side. If most of what comes out of your mouth is correction or criticism, they won't feel good about themselves, and they won't feel like you're their ally. Children need to know that they have a parent or guardian who thinks the world of them.

**The Family Community Liaison Program (FCLP) provides individual counselling and family support.  
For more information about the program or the referral process, feel free to contact Kyria or Kateryna at the FCLP office at (780) 778-8755.**

## The Hilltop Chargers in Vegreville for the Sr. girls volleyball tournament.

The Chargers were in Vegreville Oct. 28/29th. The girls from Hilltop were able to see and play a number of teams from North East Alberta. This was a great

tournament to get experience from some top teams that we normally do not get to play. This was valuable to the team as to measure how they stack up against other teams in the province. The next tournament is Nov. 4/5th in Edson.

## A&W Classic

The A&W Classic was held on October 14th and 15th. Thank you to A&W for your continued support of Hilltops home tournament.

Below are the final standings from the tournament.

### Womens

- 1st: Peace River High
- 2nd: Hilltop High School
- 3rd: Glenmary School
- Consolation: Onoway

### Mens

Dear Parent/Guardian,

As part of our focus on school effectiveness, Hilltop High School will be participating in an online school survey for students – OurSCHOOL.

OurSCHOOL is an online survey that allows students to give their feedback and share their voices on their school environment, experiences at school, and any school improvement programs. During the next few weeks, all students will be given the opportunity and time to participate in this survey during regular school hours. They are encouraged to complete the survey, but may choose not to as it is completely voluntary. Students who agree to complete the survey will be given a random username and password to access and complete the survey. Students' names cannot be linked to their responses, which allow it to be completely anonymous. Results will show all student scores combined together – it is not possible to single out individual students in the results.

The student survey will be completed electronically and will require approximately 35-40 minutes to complete. The student survey Measures include such topics as emotional and social well-being, physical health, and behaviours and attitudes linked to student success. The survey also allows students to give their thoughts and feedback in open-ended question responses.

OurSCHOOL was created by The Learning Bar, based on the work by Dr. J. Douglas Willms. Dr. Willms is widely known nationally and internationally for his work on educational monitoring systems, including the Programme for International Student Assessment (PISA) of the Organisation for Economic Cooperation and Development. Since 2004, OurSCHOOL has quickly grown to become Canada's largest national school survey.
